SUPERINTENDENT'S CORNER

There was quite a lot of golf played this past month at Colony Creek! It was great to play host to such great young golfing talent from our area. We heard some very positive feedback from the players and coaches, especially those who played here last year. We had not yet completed our large sod project on the greens at this time last year. It was certainly a huge improvement in playability from where we were last year for these players. We wish those who qualified good luck as they continue on to the state championships. As much as we enjoyed hosting these events, we are excited for our chance to continue preparing the course for summer. Our team has started slicing tee boxes and fairways helping to soften the hard ground and help with grass growth. We have had some good luck taming the poa in the greens, as we continue to receive warmer weather and soil temperatures rise the poa will continue to disappear for the summer. Unfortunately as the poa goes, the goosegrass will begin to arrive. We applied our first application of goosegrass and crabgrass control on the greens, and we will continue that monthly throughout the summer. When I arrived last year, we started right away with aerification and did not have a chance to get that control out early enough. I am hoping an earlier start to that will help us control the goose a little better this year. Speaking of aerification, our aerifier was one of the pieces of equipment that we unfortunately lost in the shop fire last October. We have a replacement that we were able to purchase this past month and are looking forward to putting it to good use this upcoming month. On April 22nd, we officially hit my 1 year anniversary as your Superintendent at The Club at Colony Creek. It has been an incredibly eventful year filled with plenty of excitement and lessons learned on how to be a great superintendent. I am proud of my team and myself for the growth and progress we have made on this great golf course. My family and I have loved our time here so far in Victoria and look forward to hopefully many more years of serving this club and its membership!

Garrett Dishman
Golf Course Superintendent

MAY BIRTHDAY SCRAMBLE

SUNDAY, MAY 4, 2025

ABCD BLIND DRAW SCRAMBLE
