- 6/24 Junior Camp
- 6/24 Tuesday Night Lights
- 6/28-29 Member/Member Tournament

SUPERINTENDENT'S CORNER

It was a very busy month on the course hosting several different events and squeezing in work to be done on the golf course in between. Spring greens aerification was completed successfully preparing our greens for the intense summer season ahead of us. Summer is not wasting its time arriving this year, we saw plenty of hot and windy weather throughout May, so getting our irrigation system running as effectively as possible is a priority. We spent a large amount of time repairing and maintaining our irrigation system. Our new satellite box behind the driving range tee was installed and has been put to good use. It has restored our ability to water the greens overnight on #15, 18, and the putting green. We had to do some extra digging on 15 to find some wires that had been split by a tree root. After splicing those back together, we returned power back to the satellites on #15, 14, and 13 to restore them to working order. A new fertigation pump was installed inside our pumphouse. We are using this to add an acid to the water supply. This acid will improve our water quality making it more accessible for our grass by reducing bicarbonate and sodium levels in the soil. These salts and minerals can create hard layers in the soil that slow down root growth and tie up any fertilizer from feeding our grass. Another benefit from this acid is helping to remove existing algae and organic build up in our pipes giving us better flow and pressure for a higher quality output of water. We were blessed with some solid rains at the end of the month, helping to quench the course's thirst and give us a bit of a breather as summer arrives. June promises to be another big month of events culminating in our Member/Member Tournament in the final weekend. School is out for the summer and there is plenty to do at The Club at Colony Creek, we hope to see you out here soon!

Garrett Dishman
Golf Course Superintendent
The Club at Colony Creek

POOL SEASON

THE POOL WILL BE CLOSED MAY 27TH - 30TH
AND REOPENING SAT. MAY 31ST FOR THE SEASON

TUESDAY - SATURDAY

11:00AM - 8:00PM
