SUPERINTENDENT'S CORNER

Time flies when you are having fun, and that was certainly the case in October! There was never a dull moment throughout the previous month, hosting multiple tournaments every week. With the drought our area has been fighting through, our prayers were finally answered for rain with just shy of two inches the last weekend of the month. The ponds and grass were desperate for it as we continue to make our way further into fall and toward our cooler season. Cooler weather is finally arriving in our area as the first cold fronts of the season head in our direction. During this transition, our team will be putting into action our pre-emergent herbicide plan. This will include multiple applications to our greens to fight off the winter Poa and to the rest of the course to help prevent winter weeds from appearing. Our team has made great progress on adding bunker sand to the greenside bunkers and will continue to do so. We have two more truckloads arriving to help us finish all the greenside bunkers on the course. We have made our way through the majority of tournament season, but there are still several great events left to participate in throughout November! With the postponement of our Memorial Tournament, there is still time to sign up and participate in this great event that brings our club community together in camaraderie and remembrance of the leaders of our club. We are nearing the end of an eventful 2025, and the holiday season will be here before we know it. We look forward to seeing everyone out at The Club!

Give a Child the Gift of Christmas

We are pleased to partner this Holiday Season with the Children's Golden Crescent Court Appointed Special Advocate (CASA) to provide Christmas gifts for 20 children in need. It's easy to help:

- Stop by the Grille and select an ornament with a child's name and wishes
- Shop for your child and wrap the gift(s)
- Drop off at the Grille by Sunday, November 30, 2025

Thank you for your support and generous giving this Holiday Season.

For more information, please call us 361-576-0018.
