## SUPERINTENDENT'S CORNER

It's hard to believe that 2025 has passed us by and that we are on to 2026! 2025 was certainly a trying year at times as well as very rewarding at others. I believe we made some good headway in many aspects of the golf course and found other areas that we will work to improve on this coming year. Our team spent quite a bit of time on irrigation this past year. While we still have a ways to go getting the most out of our aging system, we made several fixes to leaks that have been eyesores since well before I started here. We were also able to fix some areas of our system that were incapable of automatic watering, saving us considerable time from manual watering. I've made some serious changes to our pre-emergent herbicide application program, and am hopeful to see even more of an impact cleaning up bothersome weeds on the course. Our team will hit January running, taking care of more trees around the course, fixing some more leaks out there, and other winter time projects to improve the golf course conditions. We appreciate all the support and recognition that the owners and membership have given us throughout the year. We do what we do to give our members the best course we can and why we strive to make this golf course better year in and year out. We are excited for everything we have planned in 2026 and can't wait to see everyone at The Club this next year!

# 2026 Golf League

In 2025, The Nothing But Net Golf League was established with the sole intent of doing something fun and exciting for the members at The Club at Colony Creek. It surpassed all expectations and everyone had a blast, so we have decided to continue the Nothing But Net Golf League in 2026!

The Nothing But Net Golf League is open to members with a GHIN handicap and who are 21 years of age and older. All events will be net scores (handicap applied) to level the playing field.

Anyone interested in joining this league must email [raypucciarrello@yahoo.com](mailto:raypucciarrello@yahoo.com) or text him at 361-652-4653. Include your name, email address and phone number for contact information. The sign-up deadline to join this fun league will be December 31, 2025. Email or text today--spaces fill up fast! At this time, we have room for 12 more players to give us 12 teams of 8.

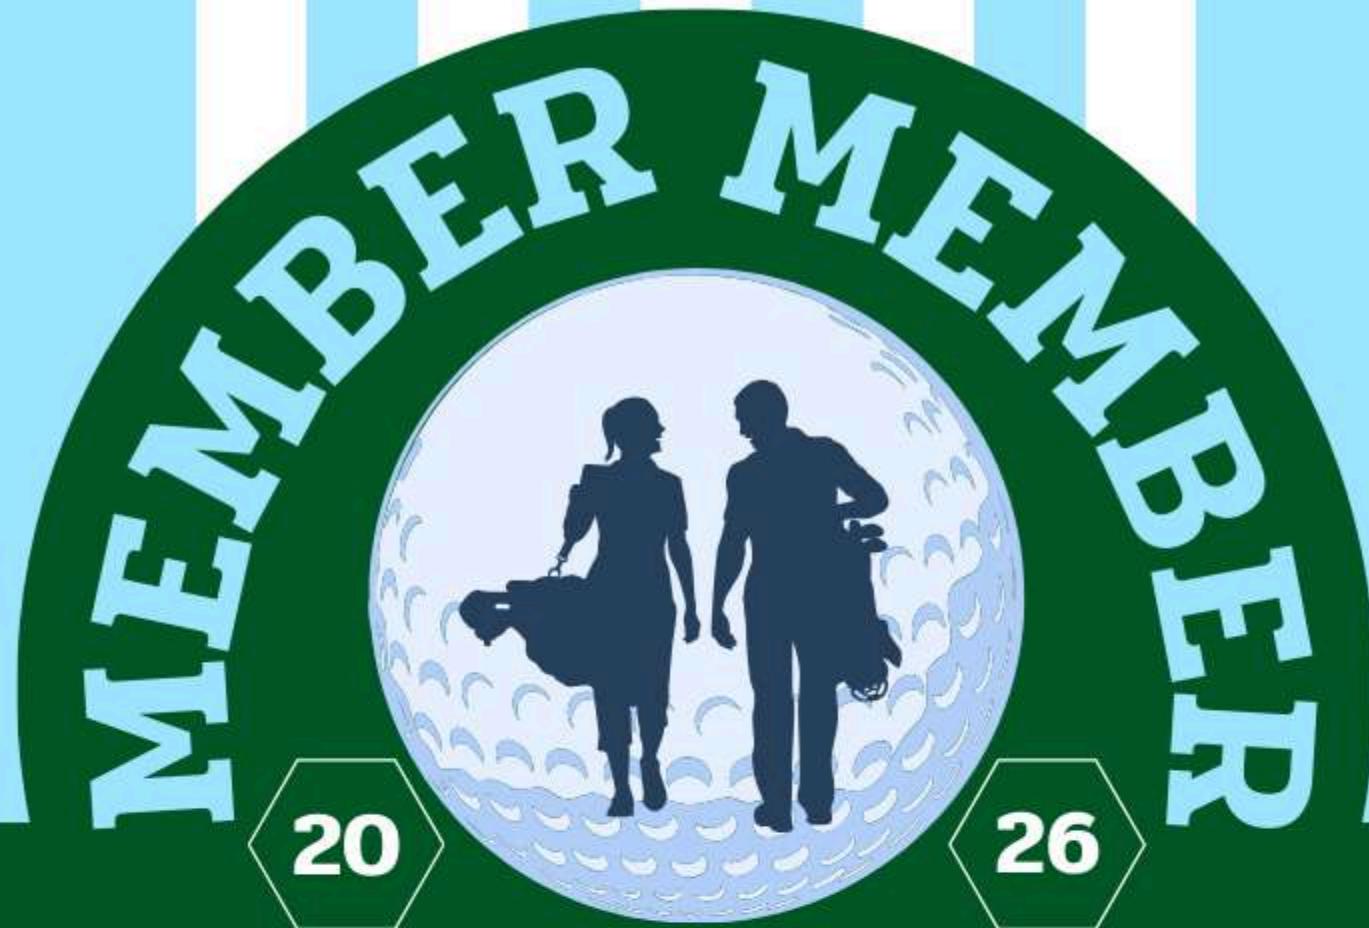

Participation is important as this league is an 8-month event (March through October) with an event to be played each month with a different format. League events will be held monthly on a Sunday afternoon during the season.

There is an entry fee of \$100.00 (cash only) for the league jackpot. The payout will be 100% cash after each monthly event along with the jackpot in October awarded to the top 4 teams.

There will be a team pairing party on January 11, 2026 at 4:00pm where teams will be established. This meeting will also provide a more in depth information regarding the league and the various formats that will be played throughout the league season.

If you have any questions, contact Ray at [raypucciarrello@yahoo.com](mailto:raypucciarrello@yahoo.com). or text at 361-652-4653.
