5/30 – LGA Monthly Points Event

SUPERINTENDENT'S CORNER

One of our busiest months of the year on the golf course has come and gone in a flash. It was our privilege to host District and Regional high school tournaments, as well as several outside events. This gave us plenty of great opportunities to show off our wonderful golf course to potential future members! The weather this past month has been great for the grass with plenty of warm weather and a fair amount of rain. The grass growth has sped up since receiving those large doses of rain and a fertilizer application, and has helped get the golf course in great shape for summer time. With the growth we have seen, we have made some great progress returning #4 fairway to full coverage. Our crew has made adjustments to minimize roped off areas and opened the hole for more golf cart accessibility. I don't believe it will be much longer before all the ropes and stakes are removed! It is widely known that April was my last month as the Golf Course Superintendent for The Club at Colony Creek. It has been an honor and a privilege to serve the ownership and members of this club, and to strive to give everyone the best golf course I could possibly deliver. There is still work to be done to better this golf course, and I have no doubt that the plan continuing in my stead will accomplish it. Cash Lane from Riverhill Country Club will manage the course's agronomic plan moving forward. He has been my mentor these past couple of years and has been instrumental in helping me plan the courses of action we have taken to maintain and improve the golf course. Great things are in store for Colony Creek, and I feel comfortable knowing that the golf course will be in great hands. Thank you all from the bottom of my heart and good luck to all that is to come!

Garrett Dishman

Course Superintendent at The Club at Colony Creek
